196+ lounge @ EXPO REAL

EXPO REAL is Europe's most important real estate fair. As the international marketplace for initiating new property projects and investment plans, EXPO REAL brings together the decision-makers to network and to make deals. It takes place at the Munich fairgrounds annually in early October. If you want to know more about the fair, please go to the next page.

At EXPO REAL, we organise the 196+ lounge, a stand jointly used by around 30 co-exhibitors, including major hotel groups. With approximately 370 sqm, this will again be the largest meeting place for hotel, living, tourism & leisure @ EXPO REAL.

The core idea behind the 196+ lounge is providing a great networking spot with a warm atmosphere. The cosy and stylish design and a helpful stand team are all part of our all-inclusive, worry-free package – so you can focus on your meetings.

The highlights at our 196+ lounge

To celebrate and network in an informal atmosphere, we organise a booth party on the first evening of EXPO REAL. Invite your clients and partners to enjoy good drinks and snacks at the 196+ lounge.

All co-exhibitors are invited to join the traditional Bavarian PKF Seehaus Dinner on the second evening at the fair. We want to gather in a familiar atmosphere and welcome you to this evening.

Interested? Send an email to events@196plus.com for further information on co-exhibition opportunities.
